

## Center for Agricultural and Pharmaceutical Nanotechnology (CAPN)

NSF Industry/University Cooperative Research Center  
Initial Planning Workshop Aug. 31-Sept. 1, 2009

Co-sponsored by:

[University of Illinois Center for Nanoscale Science and Technology](#)

*Colleges of Engineering, and Agriculture*

University of Illinois at Urbana-Champaign  
[Micro and Nanotechnology Laboratory](#) (MNTL)  
[www.cnst.illinois/capn.htm](http://www.cnst.illinois/capn.htm)

### Industry Participants

The CAPN planning meeting is an industry-driven workshop, the following companies and start-ups have registered or indicated interest to attend.

There are four sets of companies, these include:

- Agricultural and Biotechnology
- Nanotechnology and Chip Manufacturers
- Pharmaceutical
- Systems Integrators

1. Advanced Bioimaging Systems, LLC
2. Archer Daniels Midland
3. Baxter
4. Carle Clinic
5. Caterpillar
6. Dow Agro Services
7. Elanco Animal Health
8. Fonterra (USA), Inc.
9. Intel
10. Honeywell
11. John Deere
12. Kraft Foods, Inc.
13. Monsanto
14. National Pasteurized Eggs, Inc.
15. National Starch, LLC
16. Pilotaseptic
17. PROVE IT, LLC
18. Rich Products
19. Rockwell Automation
20. TRACE Photonics, Inc.

### Federal Agencies

- Food and Drug Administration
- United States Department of Agriculture

*\*not attending*

### For more information contact

**Brian T. Cunningham, co-PI**  
[bcunning@illinois.edu](mailto:bcunning@illinois.edu)

**Richard H. Linton, co-PI**  
[Linton@purdue.edu](mailto:Linton@purdue.edu)

**Irfan S. Ahmad**  
Project Coordinator/Industry Liaison  
[isahmad@illinois.edu](mailto:isahmad@illinois.edu)

**Sponsors:**  
University of Illinois Center for Nanoscale  
Science and Technology  
Colleges of Engineering and Agriculture at  
Illinois

### Consortiums

- Chicago Museum of Science and Industry\*
- Illinois Coalition for Science and Technology
- Illinois Soybean Association\*
- Nanobusiness Alliance\*

To attend please register online at:

[www.cnst.illinois.edu/capn.htm](http://www.cnst.illinois.edu/capn.htm)

**For more information email:**

**Brian T. Cunningham, co-PI,**  
[bcunning@illinois.edu](mailto:bcunning@illinois.edu)

**Richard H. Linton, co-PI,**  
[Linton@purdue.edu](mailto:Linton@purdue.edu)

**Irfan S. Ahmad**  
Project Coordinator/Industry Liaison,  
[isahmad@illinois.edu](mailto:isahmad@illinois.edu)

**Sponsors:**

University of Illinois Center for Nanoscale Science  
and Technology  
Colleges of Engineering and Agriculture at Illinois

**Other co-sponsors include:**

NCI-funded Siteman Center for Cancer  
Nanotechnology Excellence (SCCNE), Illinois  
USAID-HEC-Pakistan-funded Nanomedicine for  
Cancer Research Project, Illinois  
Micro and Nanotechnology Laboratory, Illinois  
Nano-CEMMS, Illinois  
NCN/NanoHub, Illinois-Purdue  
Birck Nanotechnology Center, Purdue  
Bindley Bioscience Center, Purdue  
Center for Food Safety Engineering, Purdue
